# QUESTIONS FOR DR. JONATHAN SINGER?

1

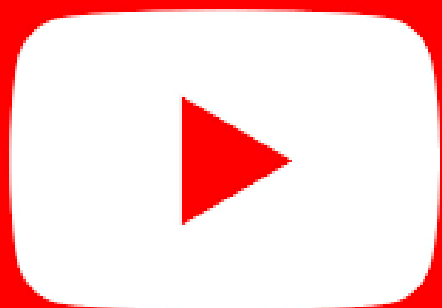

As a clinician and university professor, do you find it more difficult to connect with your younger clients or students during the height of social media?

2

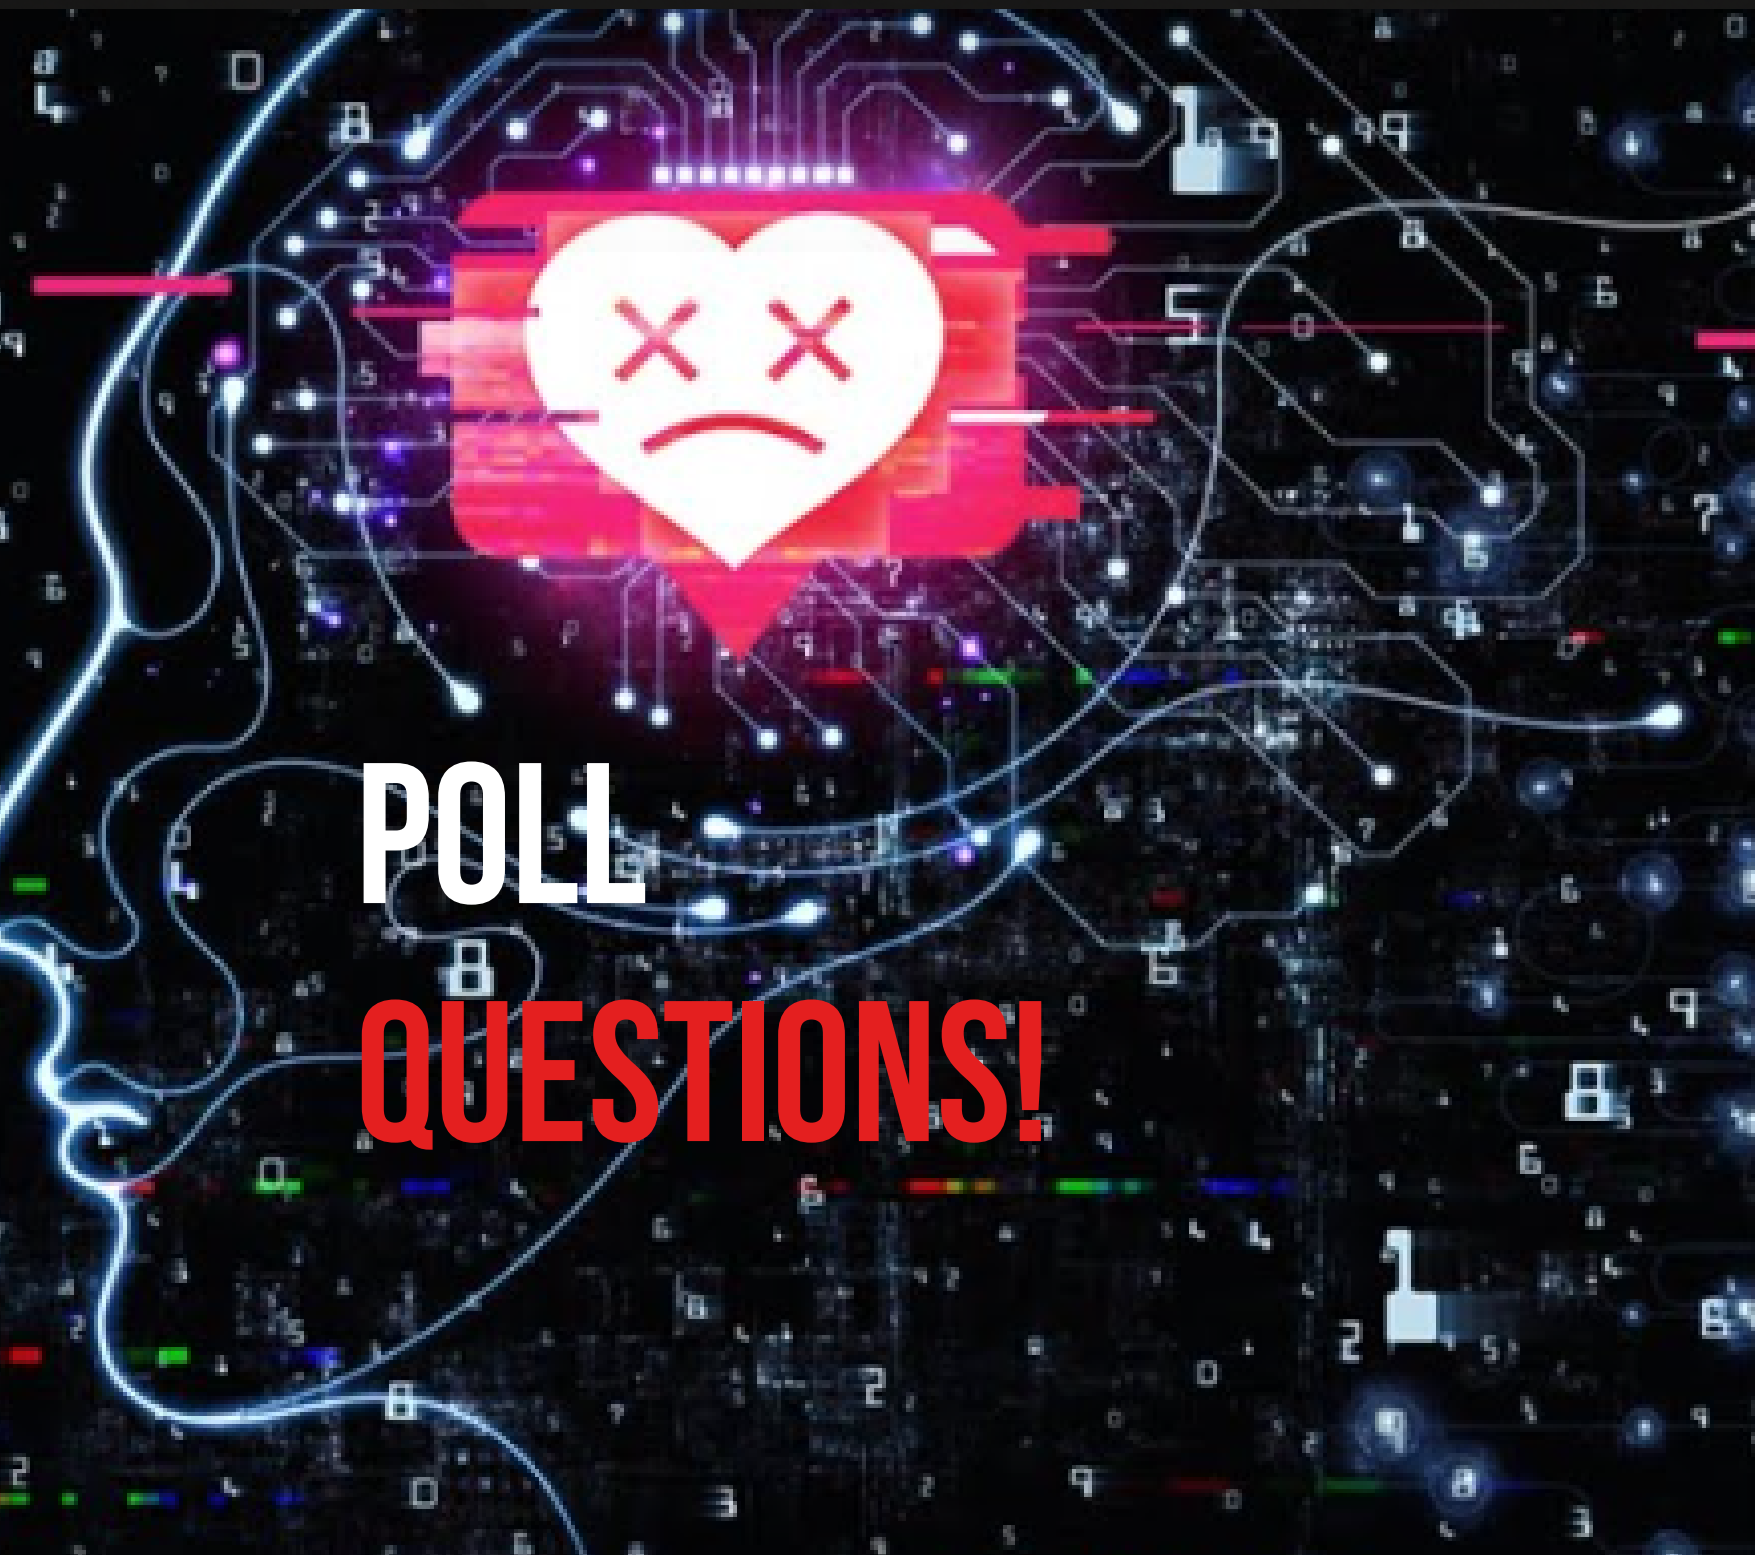

You play an active and pivotal role in the social work profession creating best practices for practitioners to use social media for good, how do you see social workers harnessing the power of social media to better mental health service delivery?

3

Since all social workers are beholden to the Social Work Code of Ethics - otherwise known as the National Association of Social Workers (NASW) Code of Ethics- What do social workers do to reduce the harm social media has on youth, such as anxiety, depression, isolation, while also staying in compliance with the code and maintaining a positive relationship with the client?

1

Have you ever had a negative emotional response when on social media?

2

What kind of negative emotional responses do you have to social media? (click all that applies):

3

Identify a time where you had a negative response. What happened to trigger you?

# OPEN FORUM

## WE WANT TO HEAR FROM YOU!

1

How can youth and young adults take a proactive approach to combat cyberbullying?

2

And how can that involve the mental health community at your school or local community?
